Harlequin

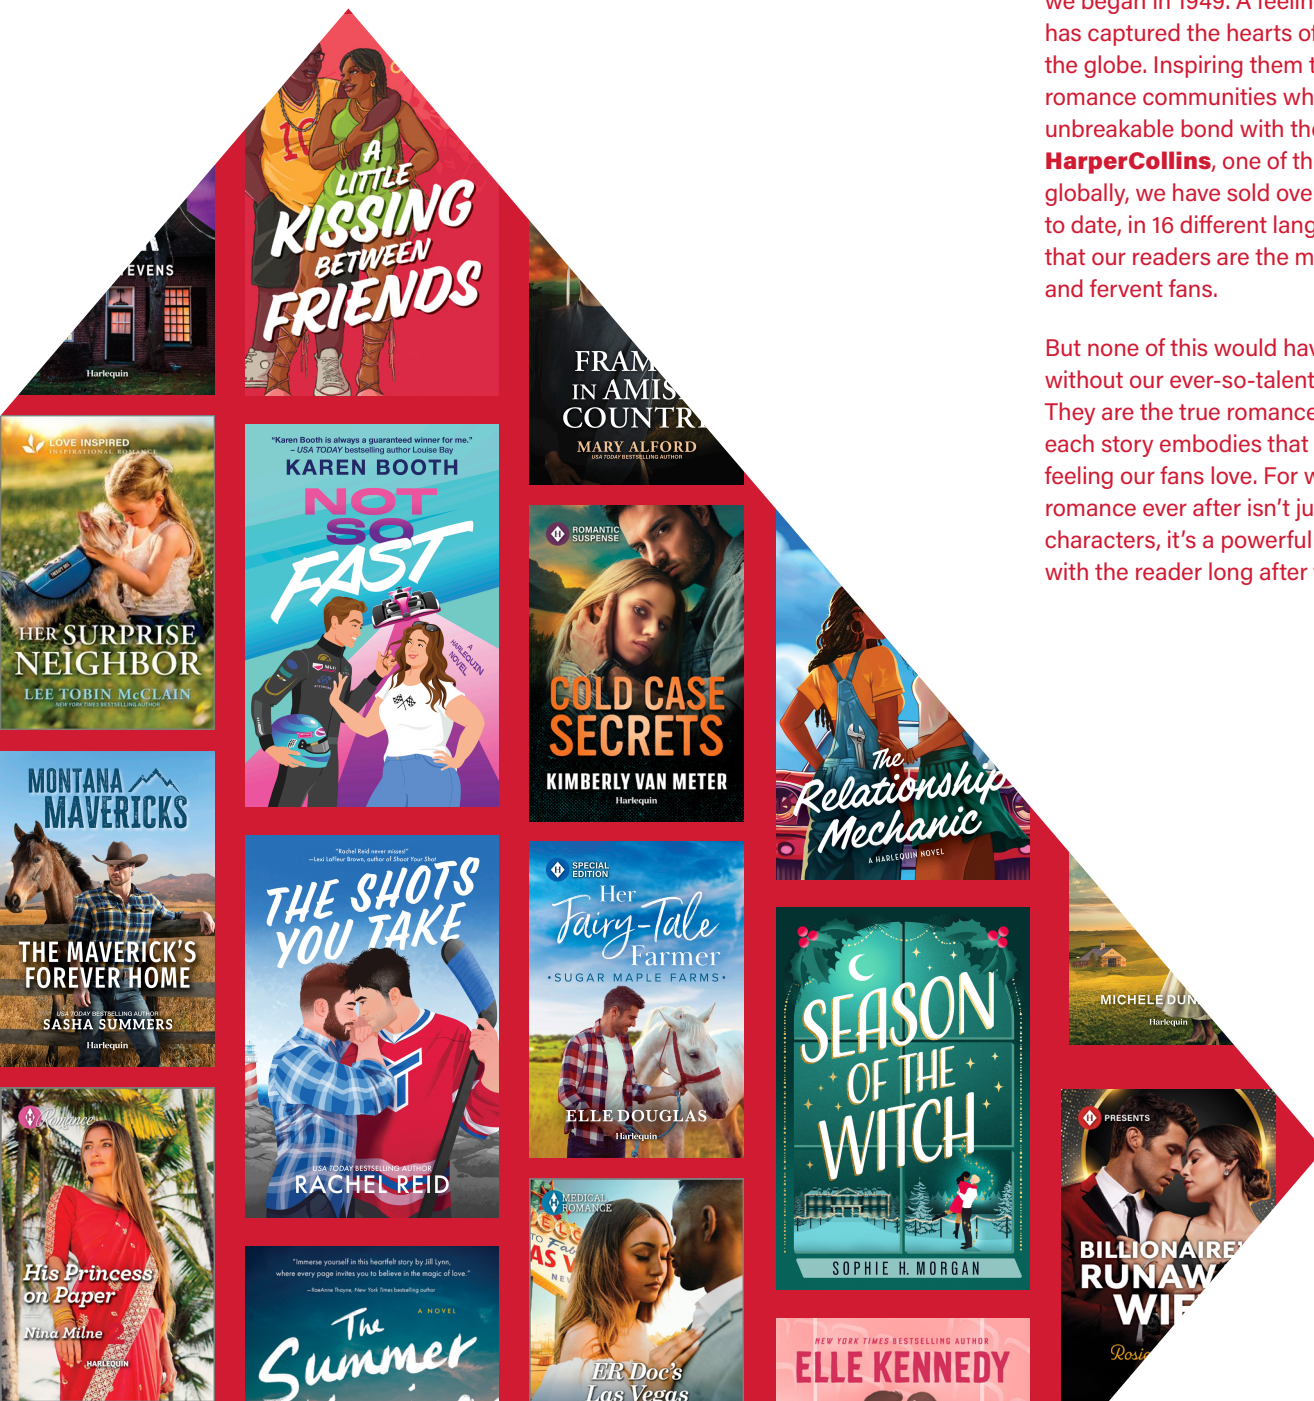

YOU CAN CALL US THE ROMANCE *experts*

Romantic love starts with a flutter of the heart, a bashful bat of the lashes, and a stolen glance. It's an exciting journey that everyone hopes to experience - the warm, familiar feeling of falling head over heels.

This is the feeling we have championed since we began in 1949. A feeling so contagious, it has captured the hearts of readers all across the globe. Inspiring them to create their own romance communities while forming an unbreakable bond with the brand. As part of **HarperCollins**, one of the largest publishers globally, we have sold over 6.7 billion books to date, in 16 different languages. Proving that our readers are the most dedicated and fervent fans.

But none of this would have been possible without our ever-so-talented authors. They are the true romance experts – ensuring each story embodies that unmistakable feeling our fans love. For we believe that romance ever after isn't just reserved for our characters, it's a powerful feeling that stays with the reader long after the story ends.

VARIETY IS THE *spice* OF LOVE

Category Romance is the heartbeat of the Harlequin brand. Not just because it quickens your pulse, but because we believe that variety is truly the spice of life. With 10 unique lines, and 43 original works of romance fiction published each month, we aim to evolve with our readers. Producing new stories that will grow with their ever-changing personal taste. So, whether it be cowboys in the wild west, billionaires in the world's capital cities, scoundrels out at sea, or a viscount in a royal court, these unique genres are the things that truly bring a Harlequin story to life, and the reason readers keep coming back for more.

AFTERGLOW BOOKS by Harlequin

If you're looking for romance stories grounded in the sometimes messy, yet oh-so-charming landscape of love, then Afterglow Books is for you. Our new series is aimed at telling the stories of characters leading their best lives, and finding romance along the way. From showing up to glowing up, these fun, spicy, swoon-worthy stories will champion characters from all walks of life.

HARLEQUIN FEATURE

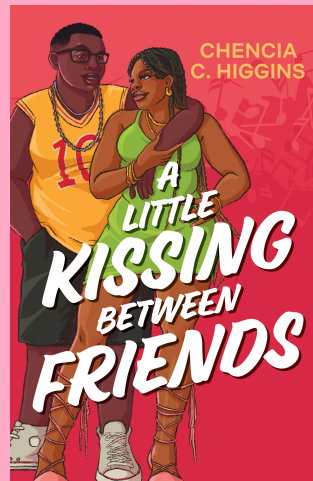

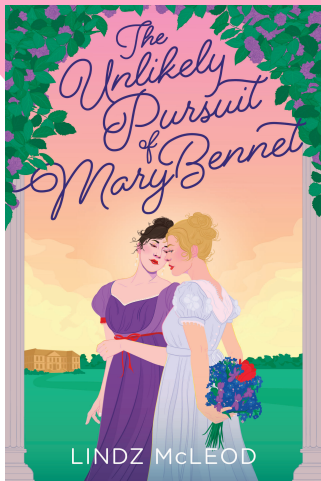

Want even more from your romance novels? We've got you covered with Harlequin Feature. These longer stories allow authors to delve a little deeper, taking the reader on rich thematic character journeys that are sure to make their hearts a-flutter. Because who doesn't love getting an even bigger picture?

Romance is something that never goes out of style. Generation after generation yearns for that warm, tingly feeling that comes from experiencing a love story unfold. Even your local pessimist can't deny it.

But just because something is a constant doesn't mean it has to stay the same. Over the past 75 years, we've watched romance evolve in so many different ways. It's why Harlequin is always developing new and exciting programs that embody the ever-changing world of romance. Helping our devoted readers see a little bit of themselves on the Harlequin pages.
